# Angel
*created & diagrammed by Alec Fehl*
1] Colored preliminary fold.
2] Squash fold. Repeat on back and sides.

3] Inside petal fold. (Petal fold, then tuck the triangle underneath.) Repeat on sides. DO NOT repeat behind.
4] Reverse fold point up. Repeat on right.

5] Turn over.

6] Tuck bottom flap inside. Crimp head.

7] Tiny reverse fold at base of head. Repeat on right and behind. Turn over.

8] Reverse fold bottom corners. Squash fold the wing.

9] Valley fold wing over.

10] Valley fold side of wing to the left. Fold other side to the right. They will overlap. Tuck one flap into the pocket to lock the wing. (Tuck flap ● into pocket ○.)

11] Repeat 8-10 on other wing. 3-D head by pulling out 4 trapped ridges. Turn over.

The completed angel
